TOPIC: COVID Anti-Body Testing

Comm. Richter reported that he spoke with Comm. Thompson this morning. Dr. Gardyn asked him what we were doing. There are two questions regarding the lab we are checking into: 1) can we get them to have a mobile lab come down here; 2) what is the time line for getting results back. Responses from Comm. Steiner and Chief Neubert: A mobile unit is unlikely; will check again; time line is 48-72 hours. Discussion of whether we should have Chief/Doctor Neubert do this in house or contract Dr. Gardyn to do the testing. Motion by Comm. Paz to do the COVID 19 Anti-Body testing under the directing of Dr. Neubert. Seconded by Comm. Steiner. Accepted 4-0.

Comm. Steiner will speak with the lab regarding our questions later today. After we get a date set up for the testing date or know that members will have to go to Amityville, Chief Siegelman will send a letter to members of the Department. We will attempt to finalize this at the Saturday meeting to be ready for next week.

Meeting adjourned at 11:10 AM

Minutes respectfully submitted by District Secretary Terri Ryan
