Comm. Paz

Comm. Pogue-Steiner Bob Gronenthal, Island Tech

District Secretary Ryan

**TOPIC:** Workplace Program and District Emergency Employees

Comm. Richter introduced Bob to the Board members and Chief. Discussion of the program and how it works. Bob explained there is so much activity o the internet now that there will be some problems. Cell phones can also cause problems with choppiness. Also, if you are in your car, for instance, you can mute your mike to avoid outside noises. Un-mute your mike to speak.

Comm. Steiner received an informal question yesterday from Jake Kritzberg. He wanted to know why employees were not getting overtime when they worked more than 40 hours per week. After Comm. Richter was contacted, a call was put in to Joe Frank. Joe informed usthat under Federal and New York State law, anyone who works more than 40 hours is entitled to overtime pay. As soon as we had this information, Comm. Steiner notified Jake Kritzberg and the other employees of this and informed the other two employees that their previous pay check will be adjusted to reflect the overtime additional amount. This was a mistake on our part,; we did this in a hurry. This is being corrected/

As stated at last week's meeting, Comms. Steiner. Thompson and myself will be re-evaluating the emergency employee schedule shortly.

Comm. Richter will send information regarding anti-body testing received from North Massapequa FD to Comm. Steiner.

Meeting adjourned at 10:45
